Conditions/Type of Play:

All players must register ½ - 1 hour prior to T-off time. Play by the Rules of Golf and 4 Seasons Course Rules or as directed. All groups of more than 5 foursomes are recommended to play a “four-person scramble” or similar play. **Scramble play format description:** Each player tees off, playing their own ball, upon teeing off, among the foursome they must decide who out of the foursome has the best position approaching the green; once the foursome has decided who has the best position, the other three players, go pick up their golf balls and position them at the 4th players ball position; the team continues to play following the same playing procedures; play continues the same on the green, until the ball is putted out; the team has only one score for each hole. It is recommended to build foursomes with non-golfers & golfers.

Tournaments are booked in time sequence for that day, depending on numbers or food package chosen/or not chosen. Final starting times can only be fixed 7 days in advance when all playing numbers are finalized and confirmed/paid. Note: Paid players unable to attend will be issued a rain check, redeemable during the current golf season. The course will only be closed due to extreme conditions, at 4 Seasons discretion, judgement call made the same day of the event. In case of extreme weather conditions, rainchecks would be issued for golf portion and lunch/dinner would proceed accordingly later that day.

4 Seasons Country Club – Tournament Information 2026

General Overview:

- All tournaments are restricted to 18 holes of golf. Final starting times can only be fixed 7-10 days in advance once your playing numbers are finalized. Nine-hole events can be arranged.
- All players are expected to dress appropriately for golf, which means no jogging or beach attire. Please, inform all tourney participants that only soft-spike golf shoes or running shoes are permitted on the course. No high heels/flip flops or bare feet permitted.
- **Only alcoholic beverages purchased through the clubhouse or beverage cart will be permitted on the premises. Please note that this includes any prizes in the form of alcohol, can not be included on your prize table or offered as samples.** The course reserves the right to check any golf bags/coolers brought on to 4 Seasons C. C. private property, for illegal alcohol. Any contravention of this can mean immediate expulsion of offenders without refund. Please note that is legislated under the liquor license act and legal charges can be laid.
- Any damage to course property or equipment beyond normal wear and tear becomes the responsibility of the individual, tournament sponsor and/or tournament organizers. A signed valid credit card slip will be left as security for cart rentals. **Minimum damage charge is \$1500+/cart.** Operation of golf carts by intoxicated guests will not be permitted; carts are motorized vehicles under the criminal code and therefore should not be operated by an intoxicated person. Additionally, some guests can treat the carts as toys. That behavior combined with some alcohol can spell a disaster, which is what we try to avoid with your assistance.
- **KEEP PACE** – all players must keep up with the play ahead of them. Allowing 4.5 hours to complete 18 holes. All players are expected to co-operate with the course staff, management, and maintenance workers.
- It is recommended that a “Scramble” or “Best Ball” playing format be used with mixed team foursomes. These formats offer a much more enjoyable day of golf for all participants. All tournament groups greater than five foursomes *must* play “4 Person Scramble” or similar play. Tournaments are booked in time sequence for that day, depending on size or food packages chosen or not chosen. Final starting times can only be fixed 7-10 days in advance when all playing numbers are finalized and paid. The 4 Seasons will lend longest drive and closest-to-pin hole markers where needed. Advice is available on which holes are best for special play and any requests for special use of other holes are welcomed.
